SPONSORSHIP 2021

In collaboration with Family Promise in San Gabriel Valley, Zaw Studios, a local Full-Service Film/Television/Media Company will be sponsoring production services to give back to the community as they produce a Docu-Series for sponsors of SHINE BRIGHTLY: 10 Years of Shining Stars. This will be a night to celebrate 10 years of serving families and children throughout the San Gabriel Valley while raising funds to solidify and expand our services to families facing homelessness.

Zaw Studios is known for their international commercial content productions specializing in producing marketing content for Brands, Social Media Influencers, Small Businesses, and Products. They've developed an internship program that teaches young filmmakers real world skills, by serving non-profits while giving hands on opportunities to young graduates as they transition into working professionals.

Empowerment and Hope sponsors will have the opportunity to have a short episode dedicated to their business and their support for Family Promise SGV and our community. All footage is generously gifted to these sponsors for their use, as well as Family Promise SGV, as part of the Zaw Studios mission to "Be the change you want to see in the world."
